

CE Declaration of Conformity

Pursuant to the Directive of the European Parliament and of the Council 2014/35/EU (Government Regulation No. 118/2016 Coll., laying down the technical requirements for low-voltage electrical equipment) and the Directive of the European Parliament and of the Council 2014/30/EU (Government Regulation No. 117/2016 Coll., on the technical requirements for products in terms of their electromagnetic compatibility)

Manufacturer:

CYKLOS, production cooperative, Choltice
Cukrovarská 104, 533 61 Choltice
Czech Republic

Authorised Representative:

Ing. Karel Komárek
President of the cooperative

Product: **Creasing, Perforating and Punching Machine**
Type: **GPM 450 verSA**

Description:

The GPM 450 verSA is a creasing, perforating and punching machine following on GPM 450 SA. Parameters for individual operations are entered via the touch screen. Paper is loaded manually, however, it is already managed automatically by the stepper motor. The machine is equipped with easily and quickly replaceable tools. Paper grammage 80 – 400 gsm. Voltage / Frequency / Current 230 V / 50 Hz / 0,5A or 110 V / 60 Hz / 0,7A.

All the relevant provisions that the device complies with:

- Directive of the European Parliament and of the Council 2014/35/EU (Government Regulation No. 118/2016 Coll.)
- Directive of the European Parliament and of the Council 2014/30/EU (Government Regulation No. 117/2016 Coll.)

List of harmonised and other technical standards used for assessing conformity:

- ČSN EN 60335-1 ed.3:2012 – Electrical appliances for household and similar purposes – Safety – Part 1: General Requirements
- ČSN EN 62233:2008 – Methods of measuring the electromagnetic fields of household appliances and similar devices with regards to human exposure
- ČSN EN 55014-1 ed.4:2017 – Electromagnetic compatibility – Requirements for household appliances, electric tools and similar apparatus – Parts 1: Emissions
- ČSN EN 55014-2 ed. 2:2017 – Electromagnetic compatibility – Requirements for household appliances, electric tools and similar apparatus – Parts 2: Resistance – Standard for a product group
- ČSN EN 61000-3-2 ed.4:2015 – Electrical compatibility (EMC) – Part 3-2: Limits – The limits for harmonic current emissions (equipment with an input current phase ≤ 16 A)
- ČSN EN 61000-3-3 ed.3:2014 – Electromagnetic compatibility (EMC) – Part 3-3: Limits – Restricting voltage changes, voltage fluctuation and flicker in low-voltage distribution networks for facilities with a rated current ≤ 16 A, with is not subject to conditional connection
- ČSN EN 61000-6-3 ed.2:2007 – Electromagnetic compatibility (EMC) – Part 6-3: Generic standards – Emissions – Residential, commercial and light industrial environments

CE label: 19

In Choltice on: 22.11.2019
